Subject: Freedom Industries questions

Hi Melissa,

I met you here in Charleston, WV during the Freedom Industries leak. Dennis gave me your email.

I wanted to follow up with you about the EPA regulations that Freedom had to comply with--- I'm trying to understand what was in place at the time of the incident. You and I were discussing this briefly with Raj (sorry if I misspelled this).

Do you have time to talk over the phone? Email works as well.

Thank you,

Rachael Gunaratnam
